

## Online activation of the mobile signature (digital, NOT personal):

### 1. Mobile phone signature as citizen card via FinanzOnline

Prerequisite: Financial online access (Internet platform of the tax offices for easier handling of tax matters)

Information: Some days waiting for confirmation letter from [FinanzOnline](#) ([PDF-manual](#))

With your FinanzOnline access data (subscriber identification, user identification and PIN) you can apply for the activation of your mobile phone signature yourself: To do this, log in with your FinanzOnline access data and select the menu item "Activate citizen card now".

Follow the further registration process steps. Within a few days you will receive a confirmation letter by post with an activation code and activation PIN, with which you can complete the activation process.

## **2. Activation with online banking (e.g. via BriefButler.at)**

Prerequisite: online banking

One-time activation fee of 6,00 Euro

Information: Identification via online banking, some days waiting for confirmation letter from [BriefButler](#)

## **3. Activation via Post.at**

Requirements: Registered user account for the web portal of Austrian Post AG
